

HONORABLE ROBERT H. WHALEY

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WASHINGTON

OSCAR J. BROWNFIELD

Plaintiff,

v.

CITY OF YAKIMA, A MUNICIPAL
CORPORATION,

Defendant.

NO. CV-08-3005-RHW

PLAINTIFF'S DISCLOSURE OF
EXPERT WITNESSES

PURSUANT RULE 26 the Plaintiff discloses the following potential expert witnesses as follows:

1. Laurence Miller, PhD., Licensed Psychologist, 399 W. Camino Gardens Boulevard, Boca Raton, FL 33432, (561)392-8881. Dr. Miller may be called as an expert witness to testify regarding the normal procedures and requirements of "Fitness for Duty Evaluations." He may also be called to testify regarding the Plaintiff's "Fitness for Duty Evaluations." Dr. Miller's Curriculum Vitae is attached.

1 2. Sgt. Bob Hester, 13508 Wide Hollow Road, Yakima, WA 98908, (509)966-7356.

2 Sgt. Hester may be called to testify regarding the terms of employment under the
3 union contract for licensed officers in the Yakima Police Department. He may
4 also be called to testify regarding the procedures that were employed in Plaintiff's
5 case. Sergeant Hester is a career officer with the Yakima Police Department and
6 an officer of the Yakima Police Patrolmen's Association.
7

8 3. The Plaintiff may hire additional experts to:

9 (a) testify concerning the questionable practices and procedures in the Yakima
10 Police Department under Sam Granato and Dick Zais.

11 (b) testify concerning the proper vetting of a police chief re hiring,
12 supervision and firing vs. what has been done in the case of Sam Granato.
13

14 (c) respond to the experts designated by the defendant.

15 The Plaintiff will supplement this disclosure as soon as any additional expert
16 witnesses are hired.

17 DATED this 18th day of December, 2008.

Corporate Coaching Certificate, Grow Corporation.

PROFESSIONAL SERVICES

January 1989 – Present:

Independent Practice. *Laurence Miller, PhD, P.A., Boca Raton, Florida.*

- Provide clinical neuropsychology, behavioral medicine, rehabilitation, and psychotherapy services.
- Perform forensic psychological and neuropsychological evaluations and serve as expert witness in civil and criminal cases.
- Provide personnel management and corporate consulting services to local and regional businesses and health care facilities.
- Provide training and continuing education in practical applications of psychology and behavioral science to law enforcement, criminal justice, civil litigation, crisis management, healthcare, and business.
- Peer reviewer for professional journals in clinical and forensic psychology and behavioral sciences.
- Editor (beginning 2008-2009) of *International Journal of Emergency Mental Health*.

March 1997-Present:

Forensic Examiner. *Fifteenth Judicial Circuit, Palm Beach County Court, West Palm Beach, Florida.*

- Conduct court-mandated forensic psychological evaluations of children, adolescents, and adults in criminal, juvenile, and family law cases.
- Provide psychological expert witness testimony in criminal, juvenile, and family law cases.

May 1998 – Present:

Police Psychologist. *West Palm Beach Police Department, West Palm Beach, Florida.*

- Provide on-scene evaluation and crisis response to officer-involved critical incidents; conduct stress debriefings and other emergency psychological interventions; provide follow-up psychological services for critical incidents.
- Provide individual and family psychotherapy and counseling services to officers and their families; conduct fitness-for-duty and other psychological evaluations of law enforcement personnel, and provide follow-up counseling services.
- Provide in-service and regional training in criminal psychology and law enforcement behavioral science.

October 2007 – Present:

Mental Health Advisor. *Troop L, Florida Highway Patrol, South Florida.*

- Provide on-scene evaluation and crisis response to trooper-involved critical incidents; conduct stress debriefings and other emergency psychological interventions; provide follow-up psychological services for critical incidents.
- Provide individual and family psychotherapy and counseling services to troopers and their families.

- Provide in-service and regional training in crisis response, emergency, mental health, and critical incident stress management for law enforcement.

April 1995 – August 2004:

Director of Psychological Services. *Heartland Rehabilitation Centers, Lantana and Pompano Beach, Florida.*

- Conducted and supervised clinical and forensic psychological and neuropsychological evaluations of patients with brain injury, chronic pain, and other traumatic disability syndromes.
- Provided and supervised cognitive rehabilitation, pain management, biofeedback, individual and group psychotherapy, and other treatment modalities.
- Provided continuing education and training to clinical staff, local and regional health care providers, case managers, and attorneys.

February 1995 – November 2000:

Clinical Director. *Palm Beach County Critical Incident Stress Management (CISM) Team, Palm Beach County, Florida.*

- Provided critical incident stress debriefings and other crisis intervention services to regional police, firefighter, paramedic, and other law enforcement and emergency services personnel.
- Supervised field activities and provided education and training for CISM team members and allied agencies.

May 1988 – September 1989:

Program Director. *Neurobehavioral Treatment Center, Fair Oaks Hospital, Delray Beach, Florida.*

- Co-developed inpatient neurobehavioral treatment program and coordinated clinical services.
- Supervised neuropsychological evaluations, cognitive rehabilitation, biofeedback, and behavioral medicine services.
- Conducted and supervised research in neuropsychology and psychiatry; supervised practicum and internship training of psychology graduate students; supervised student research activities in coordination with regional universities.
- Provided interdisciplinary consultative training in neuropsychology, behavioral medicine, and neurobehavioral treatment applications to in-house staff, regional rehabilitation and mental health facilities, and community clinical practitioners.

April 1982 – March 1988:

Associate in Neuropsychology. *Fair Oaks Hospital, Summit, New Jersey.*

- Performed neuropsychological evaluations of psychiatric and substance abuse inpatients.
- Participated in multidisciplinary evaluation and treatment planning.

- Conducted research in neuropsychology and psychiatry.
- Provided interdisciplinary consultative training in applications of neuropsychology to patient assessment and care.
- Supervised clinical psychology trainees in neuropsychological assessment procedures.

September 1983 – June 1984:

Research Associate. *Biofeedback Laboratory, Department of Psychology, City College, New York, New York.*

- Provided services in clinical biofeedback, self-regulation, and stress management.
- Participated in research on psychophysiological regulation and cognitive processing.

March 1981 – August 1982:

Neuropsychological Examiner. *Helen Hayes Rehabilitation Hospital, West Haverstraw, New York.*

- Performed neuropsychological evaluations of brain-injured and neurologically impaired patients.
- Participated in research on recovery from traumatic brain injury and stroke.

September 1979 – June 1981:

Research Assistant: *Department of Psychophysiology, New York State Psychiatric Institute, New York, New York.*

- Participated in the development of clinical rating scales for depression and pain perception.
- Participated in psychophysiological research on pain perception and pain management.

TEACHING

November 2007 – Present:

Curriculum Advisor. *Criminal Justice Program, Everest University, Pompano Beach, Florida.*

Advise administration and faculty on the structure and content of bachelors- and masters-level courses in the Criminal Justice Program.

January 2000 – Present:
